Oil and Gas Lease
ADLs 391376 and 391378

LEASES AUTOMATICALLY TERMINATED FAILURE TO PAY RENTAL

Brooks Range Petroleum Corporation failed to timely pay the annual rental for the above listed oil and gas leases. The rental payment was due on or before September 1, 2021.

Alaska Oil and Gas Lease Regulation 11 AAC 83.170 (a), Failure to Pay Rental, states that:

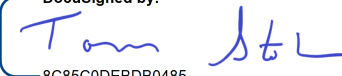

Any lease on which there is no well capable of producing oil or gas in paying quantities terminates by operation of law if any rental due is not timely paid on or before each anniversary date of the lease, except where provisions of 11 AAC 83.620 are applicable.

You are hereby notified that the above listed leases automatically terminated in whole effective September 1, 2021.

The Commissioner may reinstate a lease automatically terminated if the failure to pay rental was justifiable and not due to lack of reasonable diligence by the lessee. Should you wish to request reinstatement of the lease, you must submit a statement and supporting evidence of the reasons for the failure to pay in accordance with 11 AAC 83.175(a). The Director of the Division of Oil and Gas must receive your request for reinstatement and the rental payment amount within 15 days of the receipt of this notice.

If we do not receive a request for reinstatement of the terminated lease above within 15 days of receipt of this notice, the case file will be closed without further notice.

Sincerely,

DocuSigned by:
