RE: Proposed Amendment to Prudhoe Bay Unit Western Satellites 2021 Plan of Development

Dear Mr. Stokes:

Hilcorp North Slope, LLC (“Hilcorp North Slope”), as Operator of the Prudhoe Bay Unit (“PBU”) Western Satellites Participating Areas (“Western Satellite PAs”), respectfully requests to amend the 2021 Plan of Development (“POD”) for the Western Satellite PAs, approved March 25, 2021, to add drilling operations, detailed below. The Western Satellite PAs consist of the Aurora, Borealis, Midnight Sun, Orion, and Polaris Participating Areas (“PA”).

A. Proposed Drilling Program

During the 2021 POD period, Hilcorp North Slope anticipates completing up to six new drill wells within the Orion PA, including up to three producers and one injector from the L pad and up to one producer and one injector from the Z pad.

Should you have any questions, please contact me at (907) 777-8489 or ashowalter@hilcorp.com.

Sincerely,

Alicia Showalter
